

Before, During and After School Supervision Policy

Sinhala Buddhist School

- a) Teachers will arrive normally 10 minutes before the commencement of lessons to provide the supervision that is required.
- b) Children need to use only the designated area for the road crossing.
- c) Students will not move to the playground area unless a teacher accompanies them.
- d) Students are allowed only to play in a designated area by the teachers
- e) Parents are requested not to pick up and drop off children at foot path.
Parents need to come to the school premises to drop and pick-up children.
- f) Teachers will provide supervision of all students during class lessons time, during break times between lessons, before and after lessons until parental pick-up.
- g) Parents will co-operate fully with the teachers in picking up their children promptly after school. If a parent do not turn up by 5 .00 pm the class teacher will wait with the children until 6.00 pm. If the parents do not turn up by 6.00 pm Police will be contacted and children will be brought to the nearest police station at 2, Sudholz Road, Holden Hill.
